

Mail from Africa

Dear Friends,

Two weeks ago, after long time, I was able to set foot on the African Continent again.

Delayed by the strike, I arrived in Tanzania and, on the third day, finally reached the village of Shunga.

At the hospital, I was able to get an up-to-date overview, had many conversations, and clarify important matters in advance. It was a very valuable time!

A heartfelt thank you to all the donors who made this trip possible!

Back in Germany, the next few months until my departure will be very intense and filled with preparations. I still need some documents for the professional registration and the work permit in the country. I will attend an international mission conference and be in church ministry. There is also a essay for my studies to complete, and my apartment with all my belongings needs to be cleared out.

Mission partnership is something very special!

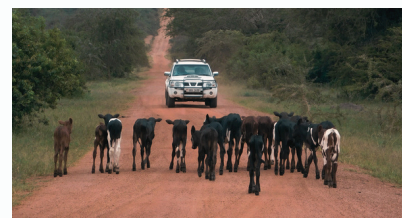

It is incredibly beautiful and encouraging to see how many people have mission work on their hearts and support me with words, little messages and gestures, questions and prayers! During this time of preparation, it's not always just excitement and anticipation. Saying goodbye also means grieving, letting go — and that's not always easy!

A heartfelt thank you to everyone who is already showing in so many different ways, including financially, that I do not have to carry out this calling alone. Be blessed for that!

Around May or June, my car for Tanzania is planned to be ordered.

So far, half of the required amount has already been received!

A thank you to all donors! It is a major concern to have a good and safe car for all the trips on African roads.

Donations can now be made via the donation account of Allianz Mission. Donations for the car are handled separately = please contact me directly if you would like to support me for the car. Since the preparations also come with costs and challenges, I am very grateful if you would already now become part of this partnership and support me both financially and emotionally with encouragement and prayer. Whether it's a one-time gift or regular monthly support, small or larger amounts = what matters most is your heart and your desire to take part in God's mission and calling.

Don't worry about anything! Instead, pray to God in every situation.
