

Post from Africa

Dear Friends,

I arrived safely in Germany! Everything went smoothly and according to plan.

I truly enjoyed my last few days in Tanzania. The beautiful landscapes, the red earth, the kind people, Lake Tanganyika, and the Indian Ocean made the time very special. Saying goodbye was not easy, as I really loved being here. Looking ahead to the future in Germany, I am filled with gratitude and excited for what lies ahead. I would like to express it in the words of Karen Blixen:

"Looking back to my life in africa... so lovely as if the contemplation of it could itself be enough to make you happy all your life."

It is wonderful to see so many people again here in Germany!
I was especially happy to meet my newborn nephew for the first time.
Even though it still feels a little strange to be back, I am very grateful for the warm welcome and look forward to settling in and finding my rhythm again.

On June 11 at 7:30pm, there will be a mission evening at FeG Kandern.

You are warmly invited to join us at Feuerbacherstraße 29, 79400 Kandern!

I will share photos, talk about my experiences, and answer your questions.

I will also be attending the church service at the evang. Landeskirche in Neuenburg on June 7 at 10:30 am, and the service at FeG Kandern at 10:30am on June 14.

I am really looking forward to all the encounters in the coming weeks and sincerely hope that, through sharing my experiences, I can encourage you in your everyday lives.

- For a good arrival and settling back into life in Germany.
- For protection during all upcoming journeys and visits.
